Enjoy your morning coffee and the peaceful sounds of the creek under the canopy of trees from your large, covered patio. This 1 bedroom, 1.5 bathroom home has been fully updated. The great room concept, open plan and 9 foot ceilings create a feeling of grandeur. Modern white soft close cabinetry, quartz countertops including an island, stone backsplash, undermount sink and stainless steel appliances can be found in the kitchen. The main bathroom and en-suite have been tastefully done including floating vanities and beautiful tiled floors. Hardwood flooring, updated lighting, new air conditioner and custom built-ins in the closet are just a few of the other upgrades throughout the home. Meadowbrook is sought after for its resort feel. Whether lounging poolside in the sunshine or having some laughs over a game of pool with friends in the newly remodelled clubhouse, it is a perfect place to call home. Amongst the amenities are 3 guests suites including one in the building with low nightly rates. Meadowbrook is very centrally located, just a stone's throw away from transit, shopping, recreation, and the rail trail. (id:6769)
