

104 Heather Place Penticton British Columbia

Uplands/Redlands

\$1,389,000

Welcome to this meticulously maintained, custom-built five-bedroom, four-bathroom home offering over 3,800 sq. ft. of exceptional living space in the highly sought-after Uplands/Redlands neighbourhood. Situated on a beautifully landscaped 0.258-acre lot, this one-of-a-kind property showcases pride of ownership throughout. The bright and airy upper level features three bedrooms and a full main bath. The spacious primary bedroom boasts vaulted ceilings, skylights, abundant closet space, and a beautiful five-piece ensuite. The two additional bedrooms enjoy lovely west-facing hillside views. The thoughtfully designed main floor features a well-appointed kitchen with a central island, adjacent dining area and main living room with a stunning double-sided fireplace. Beyond the main living space, there is a large, light-filled flex room that can function as additional living space, office or library . A dedicated office, beautiful atrium/sunroom, and convenient access to the expansive deck create exceptional indoor-outdoor living. The fully finished basement provides outstanding versatility with its own separate entrance, second kitchen, laundry area, two additional bedrooms, a full bathroom, and a cozy family room—an ideal setup for extended family and guests. Recent updates include a newer air conditioning unit, hot water tank, and updated flooring, including newer carpeting an...
