

1101 Kalamalka Lake Road 105 Vernon British Columbia

City of Vernon

\$590

This commercial complex in a very desirable location of Vernon is close to Kal Lake, Vernon Golf Course and many other strong commercial and industrial companies nearby. Next to BC hydro, across the street from Fortis Gas, Vernon Golf Club and Kal Tire Head Office, this location is one of a kind. The city has gone through an extensive amount of infrastructure improvements and added a bike lane leading to Kal Lake and the rail trail. The location is one of a kind with lots of growth ahead of it. Please contact Dean Guse at (778) 212-2678 for further information. (id:6769)
