An outstanding opportunity to acquire the Okanagan's premier indoor family entertainment centre. Wild Kidz is a well-established, turnkey business with a loyal customer base, strong community presence, and multiple revenue streams including daily admissions, memberships, birthday parties, private events, cafe sales, and retail merchandise. The professionally designed facility features an impressive multi-level play structure, dedicated toddler area, private party rooms, and comfortable seating for parents. Significant capital has been invested into the equipment, leasehold improvements, and branding, making this an exceptional value compared to the cost and time required to build a comparable operation from the ground up. With established systems, trained staff, and an active online presence, this business is positioned for a seamless transition to new ownership. Ideal for an owner-operator, entrepreneur, or investor looking to capitalize on an established and recognizable brand with continued growth potential. Financial information is available to qualified buyers upon execution of a Confidentiality Agreement. Please do not approach staff or discuss the sale with employees. All inquiries are by appointment only through the listing brokerage. (id:6769)
