

1050 Emslie Street Kelowna British Columbia
 Upper Mission
\$1,899,900

This stunning 3-bedroom, 2.5-bath showhome built by Kimberley Homes is move-in ready for its first homeowners. This modern and spacious home designed in collaboration with Interior Designer Jamie Banfield, provides a luxurious living experience with its elegant interior and panoramic vistas. The stunning exterior elevation with a modern, barrel-roof design invites guests into your grand foyer with 12' ceilings. The barrel-vault architectural feature is carried through the main floor, with the gourmet kitchen ceilings peaking at 18'. Wake up to the picturesque sights of the city skyline, tranquil lake views, and rolling valley hills right from your bedroom window. Experience the epitome of comfort and sophistication in this dream showhome that combines elegance with unparalleled views. (id:6769)
