

10551 Sherman Drive Lake Country British Columbia

Lake Country East / Oyama

\$939,000

An established home. A remarkable transformation. A fresh perspective on how to live. Beautifully reimagined inside and out, this 5-bedroom, 3-bathroom Lake Country home offers 2,093 sq. ft. of thoughtfully renewed living space. The stunning contemporary kitchen is the heart of the home, featuring a generous island, stylish cabinetry, new appliances and an inviting connection to the dining and living areas. Large windows welcome natural light, while a spacious covered deck extends everyday living outdoors, creating a wonderful setting for morning coffee, relaxed evenings and gathering with family and friends. The transformation is extensive, with a new roof, windows, exterior and interior doors, flooring, trim, beautifully updated bathrooms, decking, railings and freshly painted exterior siding. The lower level provides additional bedrooms and flexible living space for family, guests, hobbies or working from home. Set in an established neighbourhood with mature trees, close to schools, parks, trails and recreation, this is a home that brings together modern comfort, everyday practicality and the appeal of Lake Country living. A remarkable transformation, ready for its next chapter. (id:6769)
