Outdoor Oasis and an Entertainer's Dream! Welcome to Okanagan Centre, a cherished Lake Country neighborhood where families grow and friendships thrive. This 5-bedroom, 3-bathroom home sits on over half an acre, surrounded by nature's beauty. The backyard oasis is designed for ultimate enjoyment, featuring large covered decks perfect for BBQs and relaxation, a fire pit for starry-night storytelling, and a summer retreat with a heated inground pool, sundeck, pool cabana, outdoor shower, and hot tub! There's ample parking for all your toys, complete with water and power hook-ups for your RV, secured by an automatic gate. TWO double garages provide plenty of storage and access to a 323 sq. ft. bonus cellar, ideal for wine or canning. The fenced yard is adorned with mature fruit trees and manicured gardens. Recent updates include a new furnace, central AC, hot water tank, and central vacuum system, all within the last year. The open-concept kitchen boasts shaker cabinetry, along with a newer fridge and dishwasher. The roof, exterior paint, gutters, and gutter guards were replaced in 2018. Just a 5-minute walk to Jack Seaton Park, you'll enjoy sport courts, baseball diamonds, hiking, and biking trails.
