Beautifully maintained and upgraded 1,020 sf downtown condo at Parkside Place is now available. You will love the stunning views from the windows on three sides of the unit! Who wouldn't want to wake up to the beautiful trees just outside the bedroom windows, enjoy the light filtering in, and gaze at the mountain views from the patio, dining and living areas? This gem has fantastic access to trails and parks, shops, restaurants, medical facilities, transit and more. Upgrades for the 2 bedroom 1 bathroom condo include a modern kitchen with breakfast bar, stainless steel appliances, massive walk-in shower, great window treatments, hardwood floors with in-floor heating, hot water tank, ventless dryer, interior doors, and newer paint. With only two units per floor and no shared walls. Extras include an elevator, one dedicated powered parking stall, indoor storage and your small pet is welcome. What are you waiting for? Book an appointment for a private viewing. (id:6769)
