

795 Ontario Street 106 Penticton British Columbia

Main North

\$499,000

Introducing Creekside Lane, located next to Penticton Creek and a short walk to schools, grocery stores, and other downtown amenities. This progressive development of townhomes has been designed with a focus of creating an exceptional new home and maximum value in today's housing market. The design provides an open concept main floor living space, which includes storage and direct access to outdoor space. On the upper floor you will have a primary bedroom with ensuite plus a second bedroom and bathroom. Each unit will enjoy a south facing patio area. Each unit will have its own parking space. Phase one is completed and sold out, phase two is under construction and nearing completion! This project is brought to you by local builder/developer, Beach House Developments Inc., who has an excellent track record of quality. Call for details today. ****Photos are of unit 101, units do vary slightly.**** (id:6769)
