

290 Mills Road 107 Kelowna British Columbia

Rutland North

\$305,000

What a deal! Great spacious layout in this bright 2-bedroom townhome with in-suite laundry & storage space, all in a tranquil private setting. The floor plan is generous with the primary suite including a large walk-in closet and cheater-ensuite access to the full bathroom. The kitchen area includes dedicated dining space while the living room is large enough for comfortable lounging as well as a home office. This end unit sits on the ground floor with a covered deck space and sliding door access to a large grassy area - perfect for relaxation or playing with kids & pets. Close to all amenities, groceries, gas, parks. Perfect for first time buyers getting into the market, and no stairs makes this a great option for aging in place too! Some vision and a little elbow greasy could make this a beauty. Priced to sell, well below assessed value and the most recent sale in the complex. (id:6769)
