

Backing directly onto the lovely green space of the Dale Meadows sports fields and walking path, and just minutes from the Montessori School and amenities of downtown Summerland, this home offers the perfect setting for a young family or investor. The main level features vaulted ceilings in the living room and kitchen, with large south-facing windows that flood the space with natural light. Upstairs you'll find two spacious bedrooms + a den, with many updates including new furnace and a/c, fresh vinyl plank flooring through home, new lighting, and updated covered deck in backyard. The top floor is move-in ready, while the bright and self-contained 2-bedroom in-law suite below--with its own private entrance--it's vacant so provides a potential great mortgage-helping aspect to this property or can be ideal for a multi-generational living arrangement.
