

Whitehorse Yukon

$699,900

Welcome to this charming 3 bed, 2.5 bath bungalow, ideally situated on greenspace in the heart of Riverdale. Offering an exceptional combination of location, outdoor living, and future potential, this home is a wonderful opportunity for families looking to put down roots and make a space their own. One of the standout features is the lovely 9,407 sq. ft. yard, with established gardens, a greenhouse, fire pit, and gazebo! Inside, the functional family-friendly layout features all three bedrooms on the main floor, while the spacious basement offers a large rec room, 3rd bathroom, guest room, workshop and plenty of opportunity for future renovations to suit your needs and vision. Completing the package are two paved driveways and double detached garage, providing ample parking and storage. Recent upgrades include a new blaze king fireplace, triple pane picture window and exterior door, all ensuring you're warm and cozy this winter. Don't miss out! Contact your realtor today. (id:6769)
