

1085 Westpoint Drive Kelowna British Columbia

Lower Mission

\$2,100,000

Stunning luxury modern home in the heart of Lower Mission featuring a resort-style backyard with pool, hot tub, and private putting green - all designed for low-maintenance living. Set on a quiet, prestigious cul-de-sac surrounded by high-end homes, this architecturally striking residence offers 4 beds + den/ 4 baths, and over 3,200 sqft of thoughtfully designed space. Opening the door you'll enter the outdoor courtyard with access to the unique detached casita at the front of the house complete with heated floors, full bathroom, and a wet bar - perfect for guests, a home office, professional workspace. Walking inside to the main level, the home showcases heated concrete floors throughout, a temperature-controlled wine room, and a spacious primary suite and direct access to the private backyard space. Upstairs offers two additional bedrooms and a versatile den with a wet bar and nano doors opening to a large deck, creating seamless indoor-outdoor living. Outdoors, enjoy a private courtyard, garden beds, dog run, and beautifully designed entertaining areas surrounding the hot tub, pool & putting green. Located near walking trails with convenient access to amenities, this home delivers the perfect blend of luxury, privacy, and lifestyle. Opportunities like this don't come often - schedule your private showing today. (id:6769)
