Qualified First-Time Homebuyers Pay No GST! Argyle by Basran Properties is in its final phase -- with the first two buildings complete and sold, only three units remain in the final building, ready beginning of November 2026. Timeless farmhouse-inspired architecture meets fresh, contemporary interiors. This quality-built townhome offers 3 bedrooms, 3 bathrooms, a fenced yard, and ample parking with both a garage and carport. The main level features a bright, open-concept layout with 9' ceilings and a designer kitchen showcasing quartz countertops, a full-height quartz backsplash, a gas range, and premium appliances. The inviting living area includes a full-size dining room and living room, with access to a private deck. Upstairs, the spacious primary suite boasts a walk-in closet with custom millwork and a 3-piece ensuite featuring a custom-glass shower. Two additional bedrooms and convenient upper-level laundry complete this floor. Perfectly located near downtown Penticton, the SOEC, restaurants, and schools, Argyle offers a connected, low-maintenance lifestyle. All measurements are approximate; the buyer(s) are to verify if important. Click on the PLAY BUTTON above for a 3D interactive photo floor plan. (id:6769)
