

109 Northern Crescent Enderby British Columbia

Enderby / Grindrod

\$579,900

Welcome to this charming 1990s home, ideally located on a quiet street in Enderby—just a short walk to M.V. Beattie Elementary School. Offering 3 bedrooms and 1 full bath upstairs, plus a second bathroom down, this home is perfect for families or those needing a bit more space. The nearly 1,000 sq ft workshop is a standout feature—ideal for projects, storage, or even converting part of it into a fourth bedroom or in-law suite. Step out onto the large, covered back deck and soak in the hot tub while enjoying the peaceful setting. Some updates have already been done, with room to add your own personal touches. Whether you're a first-time buyer, downsizer, or someone looking for a home with serious potential, this one is worth a look. Enjoy the convenience of nearby schools, parks, and small-town charm—this is Enderby living at its best! (id:6769)
