

1091 Westpoint Drive Kelowna British Columbia

Lower Mission

\$1,925,000

Welcome to 1091 Westpoint Drive, a private executive retreat perched at the summit of Woodland Hills, tailored for premium family living & sophisticated hosting. Beautifully finished with extensive exterior upgrades by current owners, this residence effortlessly combines daily family functionality with upscale entertaining. Expansive decks & terraces create multiple outdoor spaces for dining, relaxing, & gathering; maximizing the peaceful setting. Enjoy evenings by the outdoor fireplace, unwind in the secluded hot tub off the primary suite, or host memorable summer gatherings with easy access from the main living spaces. Pool plans are available, offering potential to create a true private resort-style escape. Inside, the open layout features a spacious great room, generous living areas, and a gourmet kitchen with premium appliances, quartz countertops, an oversized island, a double-door refrigerator, & a six-burner gas range. A dedicated office with a floating carbon fibre desk provides ideal work-from-home functionality, while a glass-enclosed wine room adds a refined touch. The main-floor primary suite offers a spa ensuite with a soaker tub, walk-in shower, & direct hot tub access. Upstairs is perfect for kids & gatherings, including four further bedrooms, a loft/media area with a wet bar, full laundry, & a third bathroom. Additional highlights include white oak plank flo...
