

10918 PRAIRIE VALLEY Road Summerland British Columbia

Main Town

\$659,000

Step into this cozy, character-filled rancher and feel right at home. With a charming cottage vibe from the moment you enter, this renovated home offers convenient one-level living and modern comforts throughout. Inside you'll find two comfortable bedrooms an inviting country kitchen with adjacent breakfast nook, a spacious open-concept living and dining area is filled with natural light, highlighted by bright windows, a window seat, and a cozy wood burning fireplace. Outside, enjoy beautifully landscaped, park-like surroundings that offer privacy in the front and lead to an expansive, party-sized deck in the back-ideal for entertaining or relaxing. The large, flat 0.237-acre lot has Resident Urban Zoning which can provide for a future 2 lot subdivision, duplex housing or multi-unit housing (up to 4 dwellings) and offers plenty of room for RV parking and even the potential to add a workshop or carriage house.
