

1098 Oswell Drive Kelowna British Columbia

Black Mountain

\$1,259,000

Some views make you stop mid-sentence. This is one of them. Perched above Kelowna with sweeping mountain and valley views that genuinely take your breath away, this 2018 rancher with a basement was built to frame that scenery at every turn. The upstairs balcony is where you'll lose track of time. The downstairs one still earns its own "wow." Inside, the main floor is open, warm, and finished with care, with wide-plank hardwood, a gas fireplace, custom millwork, and a kitchen that holds its own against the view (granite, gas range, the works). The primary bedroom is its own retreat: valley views, a spacious walk-in, and a 5-piece ensuite that makes getting ready feel like a luxury. A second bedroom upstairs works well for guests or family. Head downstairs, and there's a third bedroom with its own private ensuite bathroom, finished to the same standard. And then there's the bonus most buyers aren't expecting: a fully self-contained, large, legal 1-bedroom suite with a private entrance, its own laundry room and stunning valley views from every window. Whether it's income, in-laws, or grown kids who need their own space, it just makes the whole package smarter. If you like golf, it's just around the corner; skiing, just up the hill! It feels like you're far away from the city, but it's just down the hill. Some other perks: RV parking, quiet cul-de-sac, and custom allenblock g...
