Columbia/Duncan

\$389,000

*Spectacular city & Skaha Lake view from 'The Ridge'. Likely the best lot available in this newer subdivision & it's perfect for your level entry 'Dream' home with walk out basement. Very little excavation will be necessary with the site being prepared during construction. Almost 80' wide & 100' deep allows for a variety of floorplans & plenty of room for extra parking. All newer homes in this area as well as hiking/biking, kids parks, tennis & pickleball courts nearby. Sellers are local trusted building contractors & are building right next door.....yours could be next.....building incentives available. GST applicable. (id:6769)
