Live. Work. Thrive. | The Village at Stillwater, Lake Country. Welcome to a rare opportunity in the heart of Lake Country's thriving Lakes master-planned community--where lifestyle meets flexibility. This spacious 3-bedroom + den home offers just over 2,000 sq. ft. of thoughtfully designed living across the second and third levels, with a partially finished street-level space ready for your vision (Drywalled) 1036 sq ft. Whether you're dreaming of a home-based business, creative studio, office with a separate entrance, or simply want to expand your living space--the possibilities here are endless. Upstairs, the main living area features a bright, open-concept layout designed for both comfort and connection. The kitchen, dining, and living spaces flow seamlessly together, while all three bedrooms are conveniently located on the same level. Step outside to your private patio, ideal for relaxing or entertaining, and enjoy the added convenience of an attached single garage plus additional parking. The Village at Stillwater was designed for modern living--blending urban-inspired loft style with the practicality of street-level workspace. From consultants and creatives to wellness professionals and entrepreneurs, this is a space built to support your lifestyle and your income. Imagine eliminating your commute... and building your future from home. Opportunities like this are rare...
