\$650,000

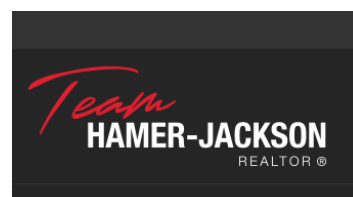

Centrally located near Orchard Park Mall, shopping and recreation, this bright 3-bed, 3-bath end townhome at Dwell offers style, space, and plenty of outdoor living. Natural light fills the home, while custom finishes give the interior a polished feel. The kitchen's quartz countertops, tile backsplash and stainless steel appliances come together in a home that feels thoughtfully finished and easy to enjoy. The kitchen and dining room open directly onto a private deck, creating a natural spot for morning coffee or summer dinners, while the expansive rooftop patio takes outdoor living to another level with city views. Downstairs, a rare private fenced yard adds even more space to spread out, whether you have pets, enjoy gardening, or simply want your own patch of outdoor space. The central location puts shopping, restaurants, services, parks, and everyday amenities within walking distance, making it easy to leave the car at home. This is a home that offers both lifestyle and flexibility in a well-connected Kelowna neighbourhood. (id:6769)
