\$699,900

Space, flexibility, and efficiency. Custom designed 2,223 sqft home in Crocus Glen offers 4 bedrooms, 3 full bathrooms, and a layout well suited for large families, multi-generational living, or those seeking additional space for guests, hobbies, or shared living arrangements. The main floor features a vaulted living or dining area, two secondary bedrooms, a full bathroom, and a chef-inspired kitchen with as island cooktop, wall oven and microwave, wall pantry storage, and access to the BBQ deck. Upstairs, the primary retreat occupies its own level with a comfortable sleeping area, walk-in wardrobe, private bath with soaker tub and separate shower, and a flex space overlooking the living area below. The fully finished walk-out basement includes a family room with wet bar, 4th bedroom, full bath, and laundry area. Outside, fully fenced low-maintenance patio yard, greenhouse, multiple decks, and triple wide paved parking. 20-panel solar system. Obvious pride of ownership throughout (id:6769)
