Enderby / Grindrod

\$135,000

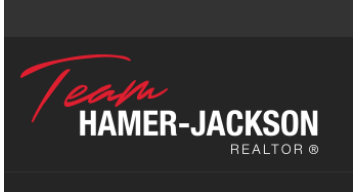

Tucked away where the sounds of nature replace the noise of the day, this 1 bedroom, 1 bathroom home offers a lifestyle that feels far bigger than its footprint. Set on a spacious lot and backing onto a peaceful seasonal run-off stream, this is where morning coffee comes with birdsong and evenings wind down with wildlife right outside your door. Inside, the home is simple, comfortable, and easy to maintain—perfect for those looking to downsize, invest, or step into homeownership without the heavy lift. Outside is where it really opens up: plenty of parking, room to breathe, and the kind of quiet that's getting harder to find. And when you're ready to venture out, you're perfectly positioned. A short drive brings you into Enderby for everyday essentials, or swing by Ashton Creek General Store just around the corner. Weekends here are anything but boring—golf nearby, snowmobile in the winter, float the river in the summer, or spend the day at the beach. Affordable living meets Okanagan lifestyle. This isn't just a place to live—it's a place to slow down and enjoy it. (id:6769)
