

Whitehorse Yukon

\$849,900

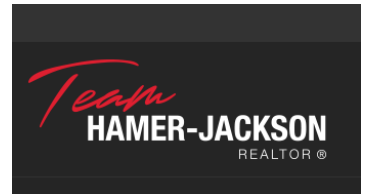

This home calls Family! A 4-level split, 2800 ft.?⁺ with 4 bedrooms, 2 1/2 baths & double garage, RV parking and a beautifully fenced and landscaped greenbelt lot. Generous foyer, spacious family room with surround windows, vault ceiling and cozy woodstove. Formal living & dining with attractive cork floors. Country kitchen boasts a 10-foot granite island - easy seating for 10 & overlooks family room. Garden door opens to west-facing dining area. Three bedrooms up with main featuring a den, walk-through closet to 3/4 ensuite plus full bath for children. Sun cones brighten up the space! An architecturally designed 20' extension has added a finished and separate basement area. Original basement hosts utilities, storage, and one end developed for teenagers, complete with perimeter seating, and a cool sleeping area. Beautiful decks with dura-deck, never-paint rails & glass lead to private hot tub, yard & garden. Meticulously maintained. (id:6769)
