

## 110 VISTA Place Penticton British Columbia

Uplands/Redlands

# \$699,000

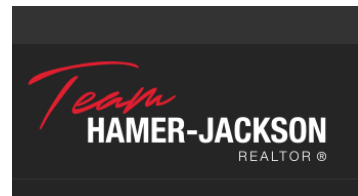

This special property offers a rare opportunity to build your custom dream home in a way that will capture the truly stunning lake and mountain views. Design your forever home to take advantage of the privacy and tranquility this 10 acre parcel has to offer, all while being only minutes to the heart of Penticton. Preparation for building has taken place, the well has been drilled and a driveway has been installed. This property does have a registered building scheme that offers the opportunity to have an accessory dwelling in addition to the main residence. Further information is available from your preferred agent or the Seller's agent. (id:6769)
