

Whitehorse Yukon

\$379,900

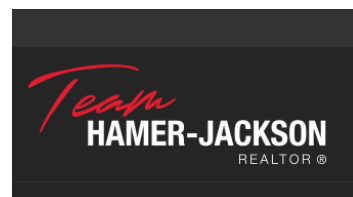

Trendy, modern and stylish best describes this charming 612 sq. ft. ground-level apartment-style condo! Easily accessible and thoughtfully designed, this bright and inviting unit makes excellent use of every square foot. The kitchen features a full stainless steel appliance package, soft-close cabinetry, a timeless subway tile backsplash and a versatile moveable butcher block. Laminate flooring and a fresh, neutral colour palette flow throughout, creating a clean and airy feel. Step outside onto your own covered, glass-panelled deck - the perfect spot to enjoy your morning coffee or unwind with an evening glass. Thoughtful finishes continue throughout, from the bathroom vanity to the large windows. Complete with a generous 123 sq. ft. dedicated basement storage area and one electrified parking stall. Whether you're looking for your first home, downsizing or adding to your investment portfolio, this well-designed unit offers comfort, style and functionality in one complete package! (id:6769)
