

1102 Carnoustie Drive Kelowna British Columbia

Black Mountain

\$1,950,000

Luxury Without Compromise. Every detail of this custom-built masterpiece has been thoughtfully designed to deliver exceptional living at every turn. Soaring south-facing windows flood the dramatic 30-foot ceilings with natural light, while a chef-inspired kitchen with a grand island flows seamlessly to the covered patio, perfectly positioned to capture panoramic views. This home blends impressive scale with refined craftsmanship, showcasing engineered hardwood, custom millwork, premium appliances, & a fully equipped kitchenette in the sunlit pantry with access to a second cooking patio. Outside, enjoy manicured synthetic lawn, a covered swim spa & hot tub, outdoor shower, & a space ready for your dream BBQ kitchen. The lower level is made for entertaining with a wet bar & cinema-worthy media room, where expansive sliding doors blur the line between indoor & outdoor living. A triple-car garage features extended ceilings, epoxy floors, built-in storage, & a nearby dog wash station. Setting this home apart is the TOP FLOOR 1-bed legal suite with stunning views, a private patio, & stair lift--offering incredible flexibility for family, guests, or rental income. Whole-home technology, including multi-zone audio/video & exterior camera coverage, provides effortless comfort. From unforgettable entertaining to thoughtful family amenities, this residence defines luxury living in cove...
