

1107 Henderson Drive Kelowna British Columbia

Black Mountain

\$1,199,000

What if you didn't have to compromise? A family-friendly neighbourhood. A backyard built for summer. A sparkling pool. Beautiful valley views. Flexible living spaces. Thoughtful updates throughout. In a market where buyers are often forced to choose between location, lifestyle, outdoor space, or home quality, this Black Mountain residence delivers the complete package. Designed for modern family living, the home offers generous living spaces, multiple bedrooms, flexible areas for work or play, and seamless indoor-outdoor living. Suspended heated concrete floors on the lower and main levels provide exceptional comfort, while built-in speakers inside and out enhance everyday living and entertaining. The backyard is where this property truly shines. Surrounded by mature landscaping, terraced gardens, and valley views, the pool is the centrepiece of an outdoor setting designed to be enjoyed all season long. A covered lounge area and convenient pool-access bathroom add functionality, whether hosting friends or enjoying quiet family time at home. Meticulously maintained and continually improved, recent upgrades include a new pool liner, updated pool equipment, privacy fencing, irrigation upgrades, fireplace overhaul, high-efficiency furnace and air conditioning with smart thermostat, garage storage enhancements, and extensive landscaping improvements. Located in one of Black Mount...
