Osoyoos

$120,000

Trade winter's routine for vineyard walks, leisurely lunches and a warm soak beneath desert skies. At Spirit Ridge, The Unbound Collection by Hyatt, this fully furnished 1-bedroom retreat offers full ownership across all four quarters and a place to return in every season. Make memories on family holidays, escape together for a weekend, or spend winter in Osoyoos among fellow Canadian snowbirds. Enjoy personal stays year-round or make your suite available through the Hyatt-managed rental pool when away, subject to program terms. Ground-floor living makes every arrival effortless: sip coffee on your patio, then step directly outside with your dog, bypassing elevators and hallways. The main building, dining and pools are a short stroll away. Swim in the year-round family pool, unwind in the hot tub, or enjoy the seasonal adults-only pool and hot tub. A children's waterslide, fitness facilities, spa, dining venues and fenced off-leash dog park complete the resort experience. Summer brings Osoyoos Lake beach club access and a seasonal shuttle. Explore neighbouring Sonora Dunes Golf Course, Nk'Mip Cellars and the Desert Cultural Centre's trails, then discover Oliver/Osoyoos wineries and nearby Rattlesnake Canyon. Regional golf can stretch from February to November, weather permitting. A Canadian escape worth making your own. (id:6769)
