

1110 Goldfinch Place Kelowna British Columbia

Upper Mission

\$1,539,900

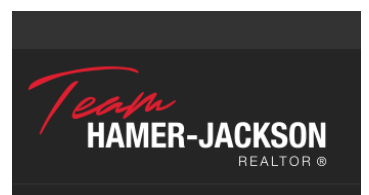

Discover unparalleled luxury in this nearly 4,200 sq ft custom-built home, perfectly situated in Kelowna's most coveted neighborhood with a 1 bedroom legal suite! This stunning residence features 5 bedroom plus den, including a master suite with breathtaking lake views while 4.5 bathrooms provide comfort and convenience for all. Enjoy the expansive pool-sized lot, ideal for future outdoor entertainment and relaxation. Along with the legal suite which offers rental income or a perfect space for extended family there is also a secondary inlaw suite that could be converted back into a theatre room and bar area. Inside, the home boasts elegant finishes, including hardwood floors, high ceilings, and a gourmet kitchen with top-of-the-line appliances and sleek countertops. The open-concept design ensures a bright and airy atmosphere throughout. Located near top-rated schools, parks, and local amenities, this home combines luxury with convenience. Airbnb licence has potential to be transferred. (id:6769)
