\$10,500,000

Generations of agricultural heritage have shaped the Duncan Vineyard Estate into one of the Naramata Bench's most compelling landholdings, with remarkable possibilities for the future. Spanning 41.47 acres, this distinguished property combines an established vineyard, extraordinary natural beauty, and sweeping 270-degree views across Okanagan Lake, neighbouring vineyards, and the surrounding mountains. Seven acres of award-winning Chardonnay and Merlot vines reflect the care and commitment invested in the estate, while approximately 20 additional plantable acres offer significant opportunity for vineyard expansion. An existing three-bedroom residence complements the property, with substantial acreage outside the Agricultural Land Reserve presenting further possibilities, subject to applicable approvals.
