Welcome to The Easton, a thoughtfully designed home that perfectly balances modern style with everyday functionality. The main floor offers an airy, open-concept layout highlighted by a spacious front-facing family room filled with natural light. A generous dining nook flows seamlessly into the rear kitchen, where you'll find an impressive expanse of cabinetry, sleek finishes, and an oversized centre island complete with abundant built-in storage that makes it perfect for entertaining or busy family life. Completing the main level is a well-placed 2-piece powder room and a practical mudroom off the rear entry for added convenience. Upstairs, the primary suite provides a relaxing retreat featuring a walk-in closet and a private 4-piece ensuite. Two additional bedrooms are both good sized with excellent closet space, while the main bathroom includes built-in cabinetry for extra storage. A second-floor laundry closet adds everyday convenience exactly where you need it. The basement is open and ready for future development and offers a side door entry for direct access. Value-added features include front landscaping finished to architectural controls specifications, and a double rear parking pad. Modern design, smart layout, and future flexibility, The Easton delivers exceptional value. (id:6769)
