

## 11251 ROBERTS Road Kelowna British Columbia

Lake Country South West

# \$748,000

Perched above Wood Lake with beautiful lake, valley & mountain views, this walk-out home offers an excellent opportunity for first-time buyers, investors, or those seeking flexible living space in a convenient Lake Country location. Surrounded by mature greenery & set within an established neighbourhood, the property offers a peaceful setting just minutes to beaches, schools, wineries, shopping & everyday amenities. With a legal suite featuring its own meter, separate laundry & private access, the property offers excellent flexibility for multigenerational living or mortgage-supporting rental income. The main level is bright & welcoming with large windows that draw in natural light & frame the surrounding views. The kitchen features a functional layout with island seating, ample prep space & easy access to the dining area & lakeview deck—an ideal spot to enjoy morning coffee overlooking the water. The layout offers comfortable separation between the bedrooms & main living spaces. The walk-out lower level includes the updated legal suite, complete with a brand new kitchen completed in 2025, separate laundry & private entry, while still maintaining an interior access door for flexibility if desired. Whether used for rental income, extended family, or guests, the space offers excellent versatility without compromising privacy. Multiple outdoor areas provide space to relax, ent...
