

1135 Johnson Road Penticton British Columbia

Uplands/Redlands

\$1,290,000

Beautifully maintained and rich in character, this exceptional Uplands residence is set on over half an acre, just minutes from the centre of town. A true generational home, it offers rare versatility with a fully legal, self-contained, newly updated one-bedroom carriage house and a heated outdoor pool, creating a compelling lifestyle opportunity in one of Penticton's most desirable neighbourhoods. The main home is arranged with all primary living on the main level. The spacious primary bedroom features a 3-piece ensuite, while two additional bedrooms share a well-appointed 4-piece Jack-and-Jill bathroom. A separate 2-piece bath with laundry supports everyday function. The custom kitchen is designed for both daily living and gathering, with a large island, built-in wet bar with wine fridge, and adjoining sitting area. The bright living room reflects the home's character without excess. The lower level offers a generous rec room with separate entry, well suited to a flex space or gym. Outdoors, the grounds are private and established, with mature landscaping, a heated pool, and multiple areas for relaxation and entertaining, complemented by ample parking for residents and guests. Properties of this calibre, offering scale, privacy, character, and a legal carriage house, are rarely available. Contact your Realtor® or the Listing Advisor today for your private property to...
