Fantastic lake view home! Lots of updates to this 3 bed, 2 bath home plus a one bedroom suite. Windows 2025, Hot water and AC 2023. Roof 2016. Solar was installed in 2025. (Pretty much no electricity bills for this home!) The upper floor of the home has 2 beds, 1 bath, bright and open living room with incredible views of the lake and city from the large windows or from the deck. The lower level has a family room, the 3rd bedroom and bathroom. The 1 bedroom suite has its own Washer and dryer, lakeview patio and separate yard and storage shed. It has also been sound proofed. The lot has had extensive landscaping and is fully irrigated. Garden, fruit trees, and firepit area. Large storage shed and an outdoor sauna are also on this lovely property. (id:6769)
