Glenmore

\$1,757,000

This award-winning home is designed for those who value both elegance and lifestyle, with the backyard as its crown jewel. Just minutes from downtown Kelowna, this property showcases a private resort-style oasis where every day feels like a getaway. The sparkling in-ground saltwater pool is surrounded by expansive stamped concrete patios, vibrant landscaping, and multiple lounge areas that flow seamlessly from sun-soaked relaxation to shaded retreats - creating the perfect setting for lively gatherings, quiet evenings under the stars, or weekend pool parties with friends and family. Inside, soaring ceilings and timeless hardwood anchor an open-concept design centered on a Westwood custom kitchen with granite counters, oversized island, and professional-grade appliances. The dining and Living areas, complete with a feature gas fireplace, connect effortlessly to the outdoor lounge, extending the Living space. The king-sized primary suite offers a lavish walk-in closet, heated floors, double vanities, a custom shower, and a soaker tub, while a second bedroom with a wall bed/desk and private entrance makes the perfect guest suite or office. A second bath and laundry complete the main level, while the finished lower level impresses with a massive recreation space, full wet bar, office, media/games room, bedroom, and bath. Additional highlights include a triple tandem garage, owne...
