

11482 Darlene Road Lake Country British Columbia

Lake Country East / Oyama

\$1,299,000

Discover excellent value and ultimate privacy on this unique 1.14 acre property with stunning lake views and prime subdivision potential in the heart of Lake Country. The lot's unique shape offers a long, thin arm with a panhandle fronting Lodge Rd-just a short walk from Wood Lake. This layout provides a rare opportunity to subdivide the 0.1-acre panhandle portion into its own lot, giving you options to build or sell while preserving a private acreage for your main residence on Darlene Rd. Built in the 1990s, this home maximizes the expansive lake views from all 3 levels. The main floor features kitchen, dining living along with the master bedroom. Two additional bedrooms, an office and a bathroom are located upstairs. The lower level boasts a walkout basement with an in-law suite, ideal for multi-generational living or guest accommodations. Outside, enjoy your wrap-around deck and ample parking space for vehicles and toys, plus a double garage for added storage. Situated last on a quiet dead-end street, this property emphasises privacy with the undeveloped land next door within the ALR all within a residential neighborhood location. Enjoy being close to Peter Grier Elementary and just a 5min drive to "downtown" Lake Country offering shops, dining, and professional services. This property is perfect for those looking to invest, develop or enjoy a private retreat with immen...
