

11506 Briar Drive Coldstream British Columbia

Mun of Coldstream

\$749,900

Welcome to 11506 Briar Drive, a well-located bi-level home in the heart of Coldstream--just minutes to schools, parks, and everyday amenities. Set on a generous 0.26-acre lot, this property offers space, privacy, and future potential that's increasingly hard to find. The expansive yard is a standout feature, with mature trees including magnolia and maple creating a peaceful, established setting. Whether you're looking to garden, entertain, or simply enjoy more outdoor space, this property delivers. Inside, the home offers 5 bedrooms and 2 bathrooms with a functional layout suited for families or flexible living. The main level features 3 bedrooms, a full bathroom, and a bright living area with a galley kitchen overlooking the yard. Downstairs includes 2 additional bedrooms, a second bathroom, and a separate entrance--ideal for future suite potential. Key updates include a newer furnace and central air (2024) and hot water tank (2019). Additional features include a carport, covered deck, electric fireplace upstairs, and a wood-burning fireplace downstairs. A solid opportunity to get into Coldstream with space to grow and add value over time. (id:6769)
