Sunrise Village living at its finest. This well kept 2 bed/2 bath home sits in one of the park's most coveted spots, just a short stroll to the clubhouse and pool. Fresh flooring throughout gives the interior a clean, updated feel, and the private covered patio out back is your go to for morning coffee or evening wind-downs. The 45+ community itself is a big part of the draw: pool, hot tub, fitness room, library, meeting room, and a genuinely active social scene. On site RV parking is an added bonus. (id:6769)
