What would you define as a piece de resistance? Perhaps a serene home setting along a rambling creek, steps away from beautiful walking paths and hiking or biking trails? If this is your dream, look no further. This immaculate, bright, and beautiful Creekside home is perfect for a wide range of buyers, including empty nesters, young families, or those looking for a lovely space to host guests. 2,635 sq. ft. of living space. The main floor features an open-concept layout with 9' ceilings, two bedrooms, a five-piece ensuite, and a half bathroom. The outdoor deck has a pull down blind for additional privacy. The walk-out basement includes one additional bedroom, a den, which could be a second bedroom, another area that could be a media room or den, a four-piece bath and open area for relaxing or perhaps a games room. Patio doors lead to a rear garden featuring a covered patio and a patio with an electric awning--complete with a gas barbecue outlet and space for a gas fire pit for those lovely, chilly evenings. The property also includes double car garage (approx. ceiling height 11') and additional exterior parking spot. This is just a snippet of what this home offers.
