This land makes you wanna dream to build a home! Welcome to 3/4 of an acre residential lot in the quiet residential subdivision of Westbrook. The garage/shop on the property was built in 2003 and features 2 doors on the opposite sides of the shop, large windows, and a rough in for a bathroom. While power and gas are already on the property ready for a future house, there is also a drilled well and a boiler, supplying the in-floor heat for the shop. Drive by to admire the land and call to book a showing inside the shop. (id:6769)
