

## 2020 ROBSON Place 12 Kamloops British Columbia

Sahali

**\$469,900**

Welcome to Robson Place—where home feels easy, connected, and just right. Nestled in the heart of Upper Sahali, this townhome invites you into a lifestyle that balances convenience with comfort. Mornings start with coffee on the patio, maybe a walk through the nearby trails before school drop-off or your quick commute via Highway 5. Weekends are for bike rides to the park, movie nights in the rec room, and catching up with neighbours who feel more like old friends. Whether you're just starting out with your family or simplifying life into something more manageable, this home fits. The layout is practical without feeling cramped, the garage keeps your car snow-free in the winter, and the extra parking stall means guests always have a place to land. Robson Place is a community where you'll feel grounded—where quiet streets, friendly faces, and easy routines make every day feel just a little bit lighter. (id:6769)
