

White City Saskatchewan

\$338,900

Welcome to 12 McKenzie Lane! This next to new end unit 3 bedroom 3 bathroom townhome was completed in 2018 and offers a great location in the high demand White City area with K-8 school, extensive parks, recreation and retail amenities and is less than 10 minutes to the East Regina Retail Corridor! The open plan living area on the main level is ideal for families or entertaining with the end unit have an extra window on both floors to allow extra light into the home. There is garden door from the living area to a generous ground level deck overlooking green space behind and to the side of the home. There is also a convenient 2 piece bath on the main floor and direct entry to the attached garage that is insulated and finished for those cold winter days. Step up to the second level and you will find 3 good sized bedrooms with the Primary bedroom including it's own en-suite bathroom and walk-in closet. The main 4 piece bathroom completes this level. The lower level has laundry area and an open space just waiting for your ideas. Townhomes do not come to the market often in White City. Do not wait to schedule a personal viewing of this ready to move into home. (id:6769)
