

**1220 BLACKBURN Road Prince George British Columbia**

**\$759,900**

Galaxy A53 5G

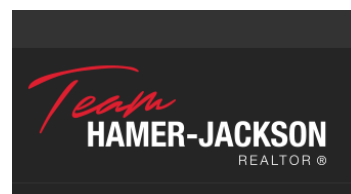

Have you been wanting acreage, but worried about dealing with a well and septic? No worries, this custom home on over 9 acres is on city water, sewer and garbage removal and just a few minutes from town . Spacious lawn areas surround the house with treed acreage behind. A double garage and lots of outside storage allow you to keep your toys safe. The generous entrance area leads to the main floor family room, two bedrooms (one with an efficient Blazeking woodstove) , full bathroom, laundry room and covered backyard access. The upstairs features an inviting living room, adjacent dining area with French doors to the sundeck, 3 bedrooms (primary bedroom has a full ensuite and walk-in closet), another full bathroom and a timeless kitchen with lots of counterspace and eating nook!
