

2500 GRANT Road 126 Prince George British Columbia

\$179,900

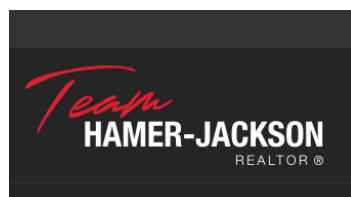

THIS IS NOT IN A MOBILE HOME PARK. This listing is in a strata so the land for the lot is part of the sale it is not a pad. Located in a quiet well manage bare land strata. This 2-bed 2-bath mobile could be great with a bit of work and care. The roof was replaced in 2023. The large deck was also built in 2023 and a will make a terrific space to enjoy sunny weather. The yard is fenced and would be a super space for a dog. It's hard to find land and a home for this price. This place is just waiting for you to make it your own. (id:6769)
