\$547,500

Welcome to sought-after Westpark Estates—an ideal setting for a young growing family! This beautiful 2-storey home offers space, comfort, and functionality. The open-concept main floor features hardwood flooring, a cozy gas fireplace in the great room, and a bright kitchen with stainless steel appliances, eat-in bar, and ample cabinetry—perfect for everyday living and entertaining. The dining area opens to a large deck and a landscaped backyard with a fire pit for family nights. Upstairs you'll find a spacious bonus room with newer vinyl plank flooring, 3 bedrooms including a generous primary retreat with his/her closets and full 4-piece ensuite with jet tub and separate shower, plus another full bath. The heated double attached garage adds year-round convenience. Central AC as Summer is just around the corner! Located steps from parks and close to schools, shopping, and amenities—this is the perfect place to call home! (id:6769)
