Welcome to Sendero Canyon, a beautiful family orientated neighborhood close to trails and nature but with parks and school at your doorstep also. This 1872sqft townhome built in 2017 has modern amenities, a family friendly layout with 4 bedrooms and 3 bathrooms, private backyard and more. As you enter the home you'll see the large attached double garage with high ceilings perfect for storage, a spacious foyer with room for coats and shoes, the convenient 4th bedroom and a full bathroom. Up on the main floor the front to back open plan of this home gives you endless options of furniture, tons of natural light, and space to play with. The huge dining area at the front has room to entertain or split the space into multi function, it flows perfectly into the huge kitchen with its extra long island, quartz counter, warm wood tones cabinetry and tons of storage. The kitchen flows seamlessly into the family room that enjoys access to the back deck and morning sun from the South facing windows. The upper floor has a great layout for a family or someone looking for the extra space. Two kids bedrooms are side by side and adjacent to the full family bathroom, laundry is also conveniently on this floor. The primary suite is separated down the hall and enjoys a walk in closet and its own ensuite bathroom with double sinks and a large shower. These homes offer immense value for the dollar ...
