Very nice unit in The Landing with two bedrooms upstairs and one bedroom downstairs with another recreation room that could be used as a fourth bedroom if desired (no closet). Beautiful open design with galley kitchen and large living room overlooking the backyard. Constructed in 2015, these well designed homes have minimal maintenance and offer a fully detached unit with a small fenced yard. The upstairs kitchen offers classy grey/white cabinetry with stainless steel appliances. Downstairs there are two more rooms which could also be suited if desired. There are full bathrooms both upstairs and downstairs. These are fantastic units in a great location close to shopping, schools, and recreation. Quick possession possible. (id:6769)
