VIRTUAL RENDERING

UNDER CONSTRUCTION Discover a thoughtfully designed new home taking shape in The Ridge subdivision, offering the space, comfort, and functionality today's families are looking for. With construction currently underway and completion anticipated for early 2027, this home combines modern style with a practical layout suited to both everyday living and entertaining. The main floor centres around an inviting open-concept kitchen, dining, and living area, creating a welcoming space where family and friends can gather. Whether preparing meals, enjoying dinner together, or relaxing in the living room, the connected layout makes the home feel spacious and comfortable. A conveniently located bathroom and mudroom with direct access to the attached garage add to the functionality of the main floor. Upstairs, the large bonus room offers flexible space that can adapt to your family's needs, whether used as a second living area, playroom, home office, or entertainment space. The primary bedroom provides a relaxing private retreat with balcony access and features a spacious ensuite. Two additional generously sized bedrooms complete the upper level, offering plenty of room for family members, guests, or additional workspace. With generous indoor and outdoor living areas, a family-friendly floor plan, and a desirable location in The Ridge, this new home is an exciting opportunity to make a b...
