

129 Ledge Rock Court Kelowna British Columbia

Wilden

\$2,149,000

This stunning custom-built home in the sought-after Wilden community offers breathtaking valley views & exceptional attention to detail throughout. Facing west, you'll enjoy spectacular sunrises over the valley & mountains. The open-concept layout features large windows that perfectly frame the views. A gas fireplace w concrete surround adds warmth to the living room. Cherry hardwood floors flow through the main level. The gourmet kitchen is a chef's dream, w a spacious entertainment-sized island, custom rift cabinetry, granite countertops, & professional stainless-steel appliances, making it ideal for hosting guests or family gatherings. Sliding doors off the dining room lead to a remarkable outdoor living area, w a built-in kitchen & wood-burning fireplace. The main level primary suite is a private retreat, featuring its own candle lit fireplace, a walk-in closet, & a luxurious en suite w a soaking tub positioned to enjoy the view, heated floors, & a large glass shower. The lower level is designed for entertaining, offering a huge rec room, a home gym w rubber flooring, a den/flex space, & two generous-sized bedrooms w a shared 4-piece bath. Step outside to the covered patio, where you can relax in the hot tub & take in the peaceful surroundings. Oversized 2 car garage, w a loft with a hydraulic lift. Located minutes from excellent hiking and biking trails, & just a short ...
